

To log in, got to: https://agent.ushadvisors.com

NOTE: Prior to logging into the Agent Portal, the Agency must first complete the setup of your new ushadvisors.com account and you will need to complete the steps for registering your new account with the DUO phone application for multi-factor authentication.

Under "Active Agents" click "Sign in with Microsoft". You may have saved logins stored in your browser. If so, select your <u>ushadvisors.com email address</u>. If not, you'll see an empty Sign in box. Use your ushadvisors.com email address and click next.

After entering your ushadvisors.com email, you'll be prompted to enter your password.

After successfully entering your credentials, you'll then see the DUO multi-factor authentication screen. If you don't have DUO, follow the on-screen prompts to set it up. If you do have DUO, use your preferred authentication method.

Congratulations, you will now be redirected to Agent Portal Home.
